Professional References – Fall 2012

Dr. Eugene Santos, Jr.
Professor of Engineering
Thayer School of Engineering
Dartmouth College
8000 Cummings Hall
Hanover, NH 03755
Office: (603) 646-6490
Fax: (603) 646-2277
Email: Eugene.Santos.Jr@dartmouth.edu

Dr. Santos served as the supervisor of my research for more than five years. At his request, I assisted Dr. Santos with several research projects. I also attended one of Dr. Santos' statistics classes.

Mr. Nicholas Pioch
Senior Member of Technical Staff at Systems & Technology Research
Suite 5850
400 W. Cummings Pk
Woburn, MA 01801
Office: (781) 503-3291
Mobile: (781) 367-2268

When Mr. Pioch worked in BAE System, I cooperated with him on a project that models the intent of military commanders, in which I provided a software API for knowledge representation and inference.

Dr. Hien Nguyen
Associate professor of Mathematics and computer science
McGraw room 106
800 W. Main Street
Whitewater, WI 53190
Office: (262) 472-5170
Email: nguyenh@uww.edu

I cooperated with Prof. Nguyen on several research projects that were jointly conducted by Dartmouth College and University of Wisconsin-Whitewater. Prof. Nguyen is also a member of my thesis committee.
